This book belongs to:

This is Daila Dandelion.

Daila Dandelion has squeaky yellow flowers.

Her leaves have deep jags
that look like dangerous lion teeth.

Daila's blowballs are fluffy and soft like wads of cotton wool.

And when you blow, her seeds fly
like little umbrellas
into the world.

Look, Daila is
missing a flower.

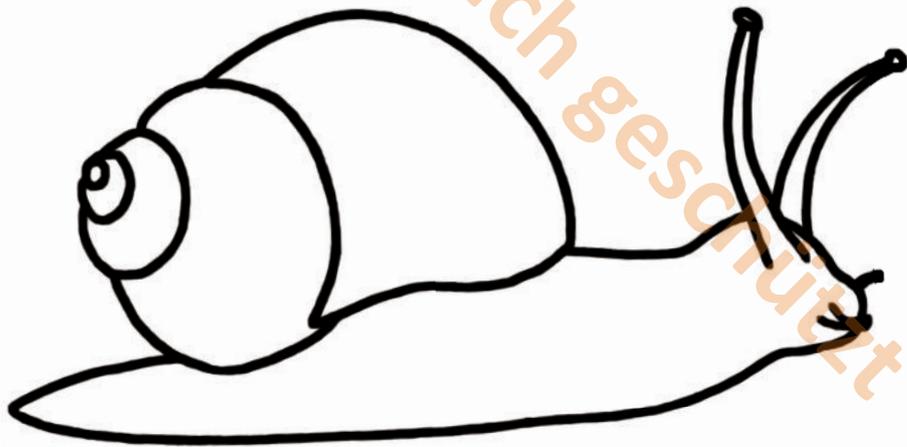

Who would have stolen it?

Richard Roman Snail is very hungry.

He is looking for a tasty leaf.

Would you like to draw one for him?

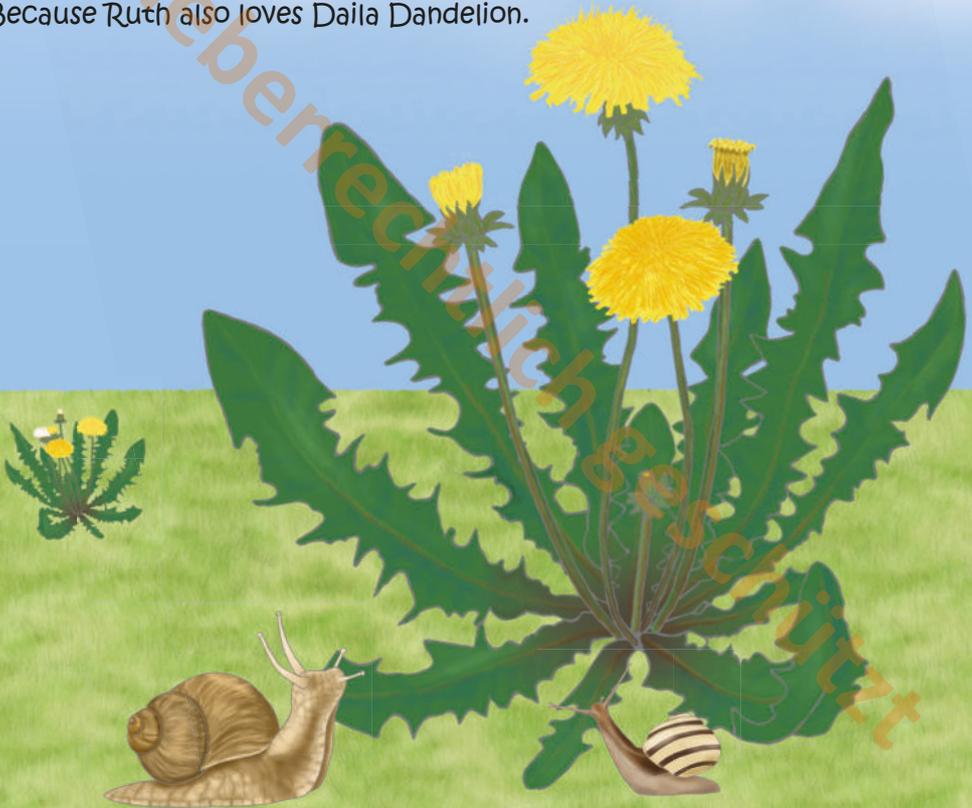

Strengthened, Richard can crawl on and meets Daila Dandelion.

„Oh, Daila Dandelion! Twice the joy in one day!“, Richard thinks happily.

Ruth Ribbon Snail has also just arrived.

Together, Ruth and Richard will enjoy a delicious meal.

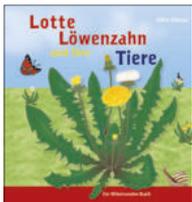

Because Ruth also loves Daila Dandelion.
